RECOMMENDATIONS:

1. That the TSPC agree that the utilization of the shoulder area on eastbound Sneath Lane from I-280 to El Camino Real would serve the public better as a bike lane than as a 6-hour parking zone.
2. That the TSPC authorize staff to send a letter to adjacent businesses and residents informing them of the above policy decision and requesting that they respond to the City within 30 days with any concerns or comments.
3. That any concerns or comments from adjacent businesses or residents would be forwarded to the TSPC for follow up discussion at their June 2005 meeting.
4. That absent any concerns or opposition to the conversion of the parking area to a bike lane, the TSPC recommends to the City Council the adoption of a resolution eliminating the 6-hour parking and establishing a no parking zone on eastbound Sneath Lane from I-280 to El Camino Real.
